

Cheryl Phillips, MD, AGSF

Senior VP Advocacy and Public Policy, LeadingAge

Professional Experience

Cheryl Phillips, M.D is the Senior VP for Advocacy and Public Policy at LeadingAge in Washington, D.C. Prior to this role she was Chief Medical Officer of On Lok Lifeways, the originator of the PACE (Program of All-Inclusive care for the Elderly) model based in San Francisco, CA. She has also served as the Medical Director for Senior Services and Chronic Disease Management, for the Sutter Health System, a network of doctors, hospitals and other health providers in Northern California. As a fellowship-trained geriatrician her clinical practice focused on nursing homes and the long term care continuum. In addition to being a hands-on medical director of multiple nursing homes in California, she oversaw the network development and quality oversight for Sutter's Sacramento-Sierra region post-acute care. Dr. Phillips is a past president of the American Geriatrics Society, the organization representing health care professionals committed to improving the health of America's seniors; and is also a past president of the American Medical Directors Association, the physician organization for long-term care. She serves on multiple national boards and advisory groups for chronic care including the CMS Quality Assurance and Process Improvement (QAPI) Technical Expert Panel in Long Term Care, the National Quality Forum MAP Coordinating Committee, and has provided multiple testimonies to the U.S. Senate Special Committee on Aging. She served as a primary care health policy fellow under Secretary Tommy Thompson, and was appointed by the Governor as a California Commissioner on Aging and appointed to the Olmstead Advisory Committee for California. Currently, Dr. Phillips is the immediate past co-chair of Advancing Excellence, the campaign for quality improvement in nursing homes. Dr. Phillips is committed and advocated for issues facing international aging, and was the invited panelist in three conferences in Beijing and Shanghai sharing her expertise with International aging leaders and Chinese national and industry aging leaders and officials in May, 2015.
